

Empowering people... developing communities... enhancing lives...

Accolades

The Power Group has been blessed with the ability to attract a team of talented people – committed individuals who have slotted into the company’s culture and shaped it into a constant source of feasible solutions, ethical business practices and integrity of workmanship.

Making the most of our God-given capacity for helping to change people’s lives, the collective efforts of our staff have been recognised by the industry on numerous occasions. Each accolade is a testimony to the team.
